IN SEARCH OF...

In search of...Every day at Cardinal Stritch students and faculty seem to be searching for something; whether it is a lost algebra book, or a good piece of chalk. These are obvious ways of searching. As we turn the pages of this year-book it shows us in many ways in which we searched and found friendships, happiness, and laughter, at sporting events, dances, and even in the classroom.

In search of victory, the football team worked hard under new head coach Ralph Orsini.

Missy and Leanne always give their support to each other.

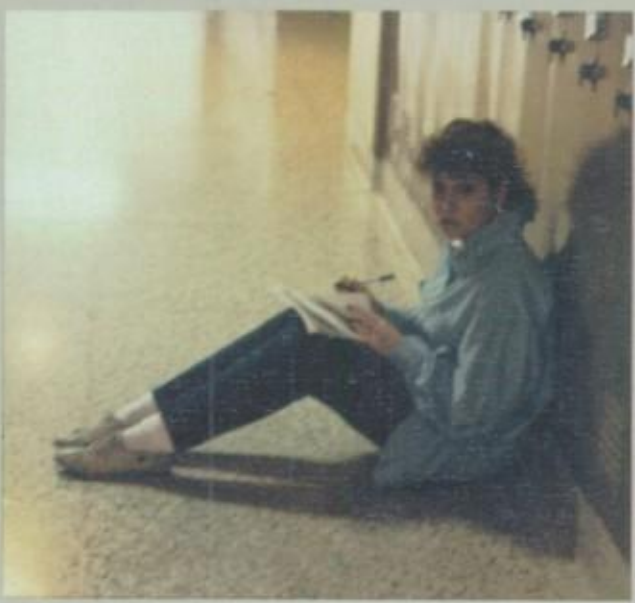

These Junior girls are proud to show where they're from.

Barb Horner drops back for the pass.

Our teachers always give their support to each other.

Kellie is found trying to get some work done after school.

Amy Perlaky's sewing is just PURR-FECT.

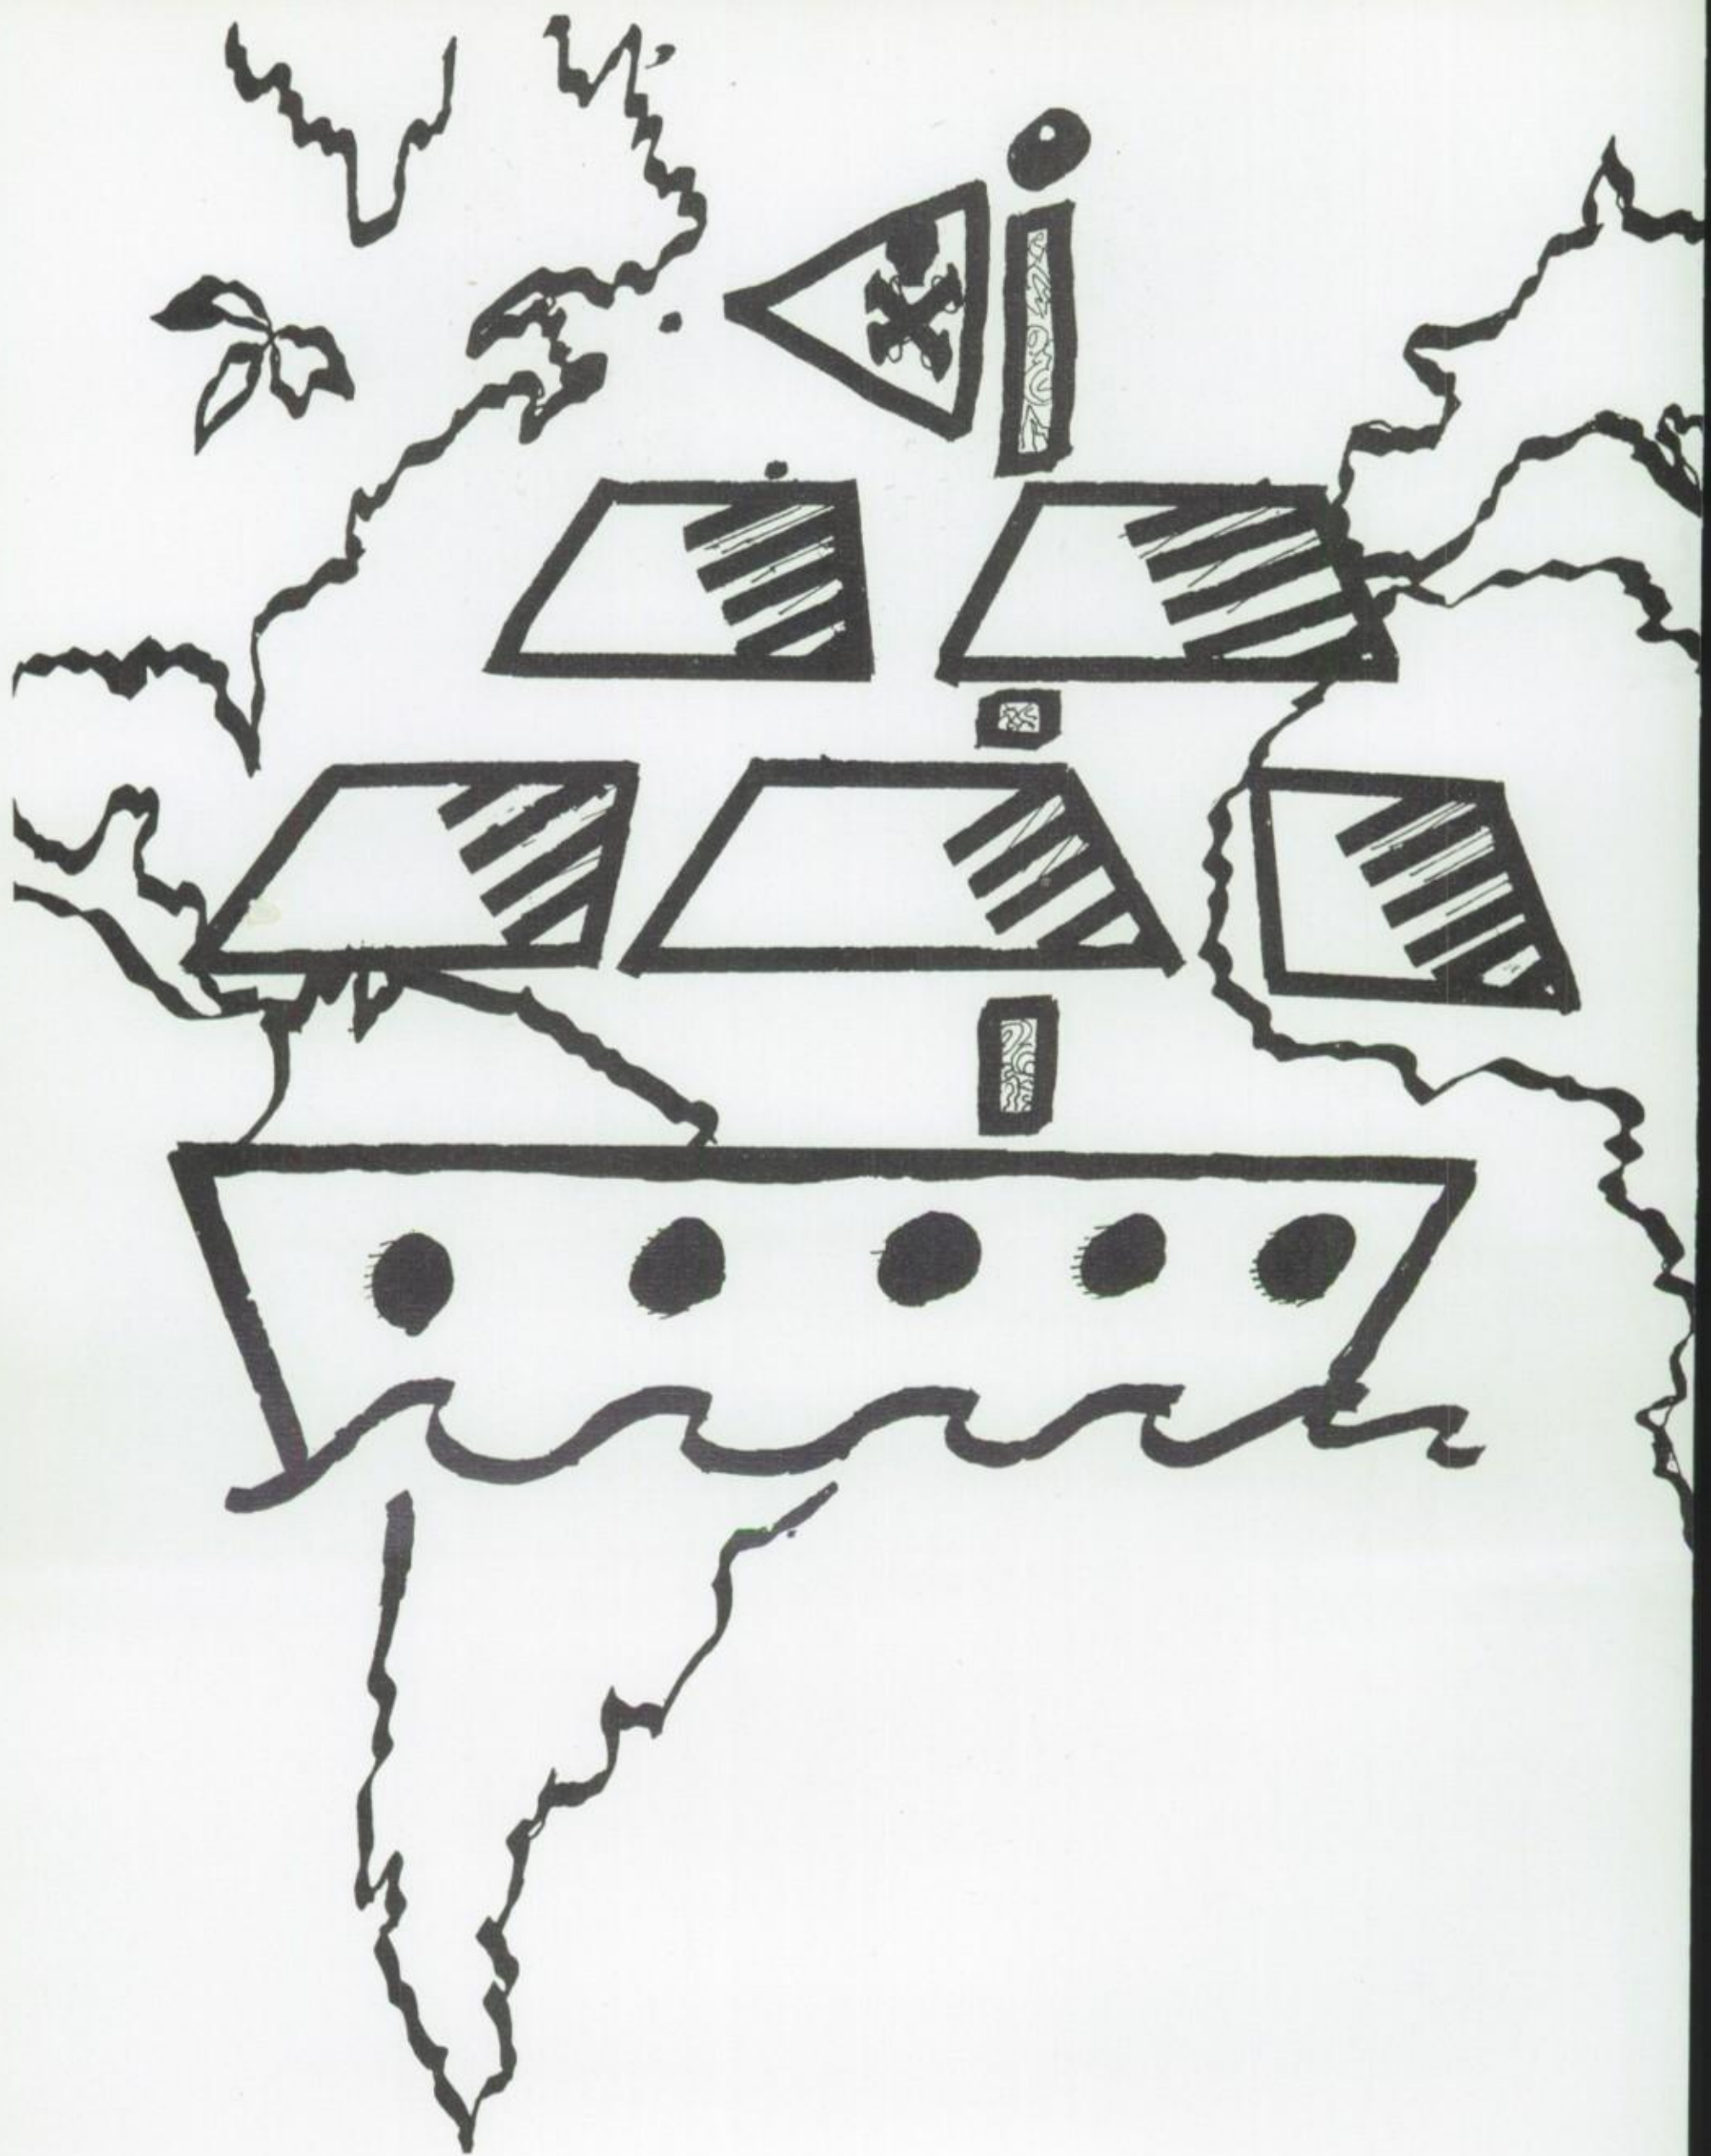

Kyle and Nadine show off their prize winning cake!

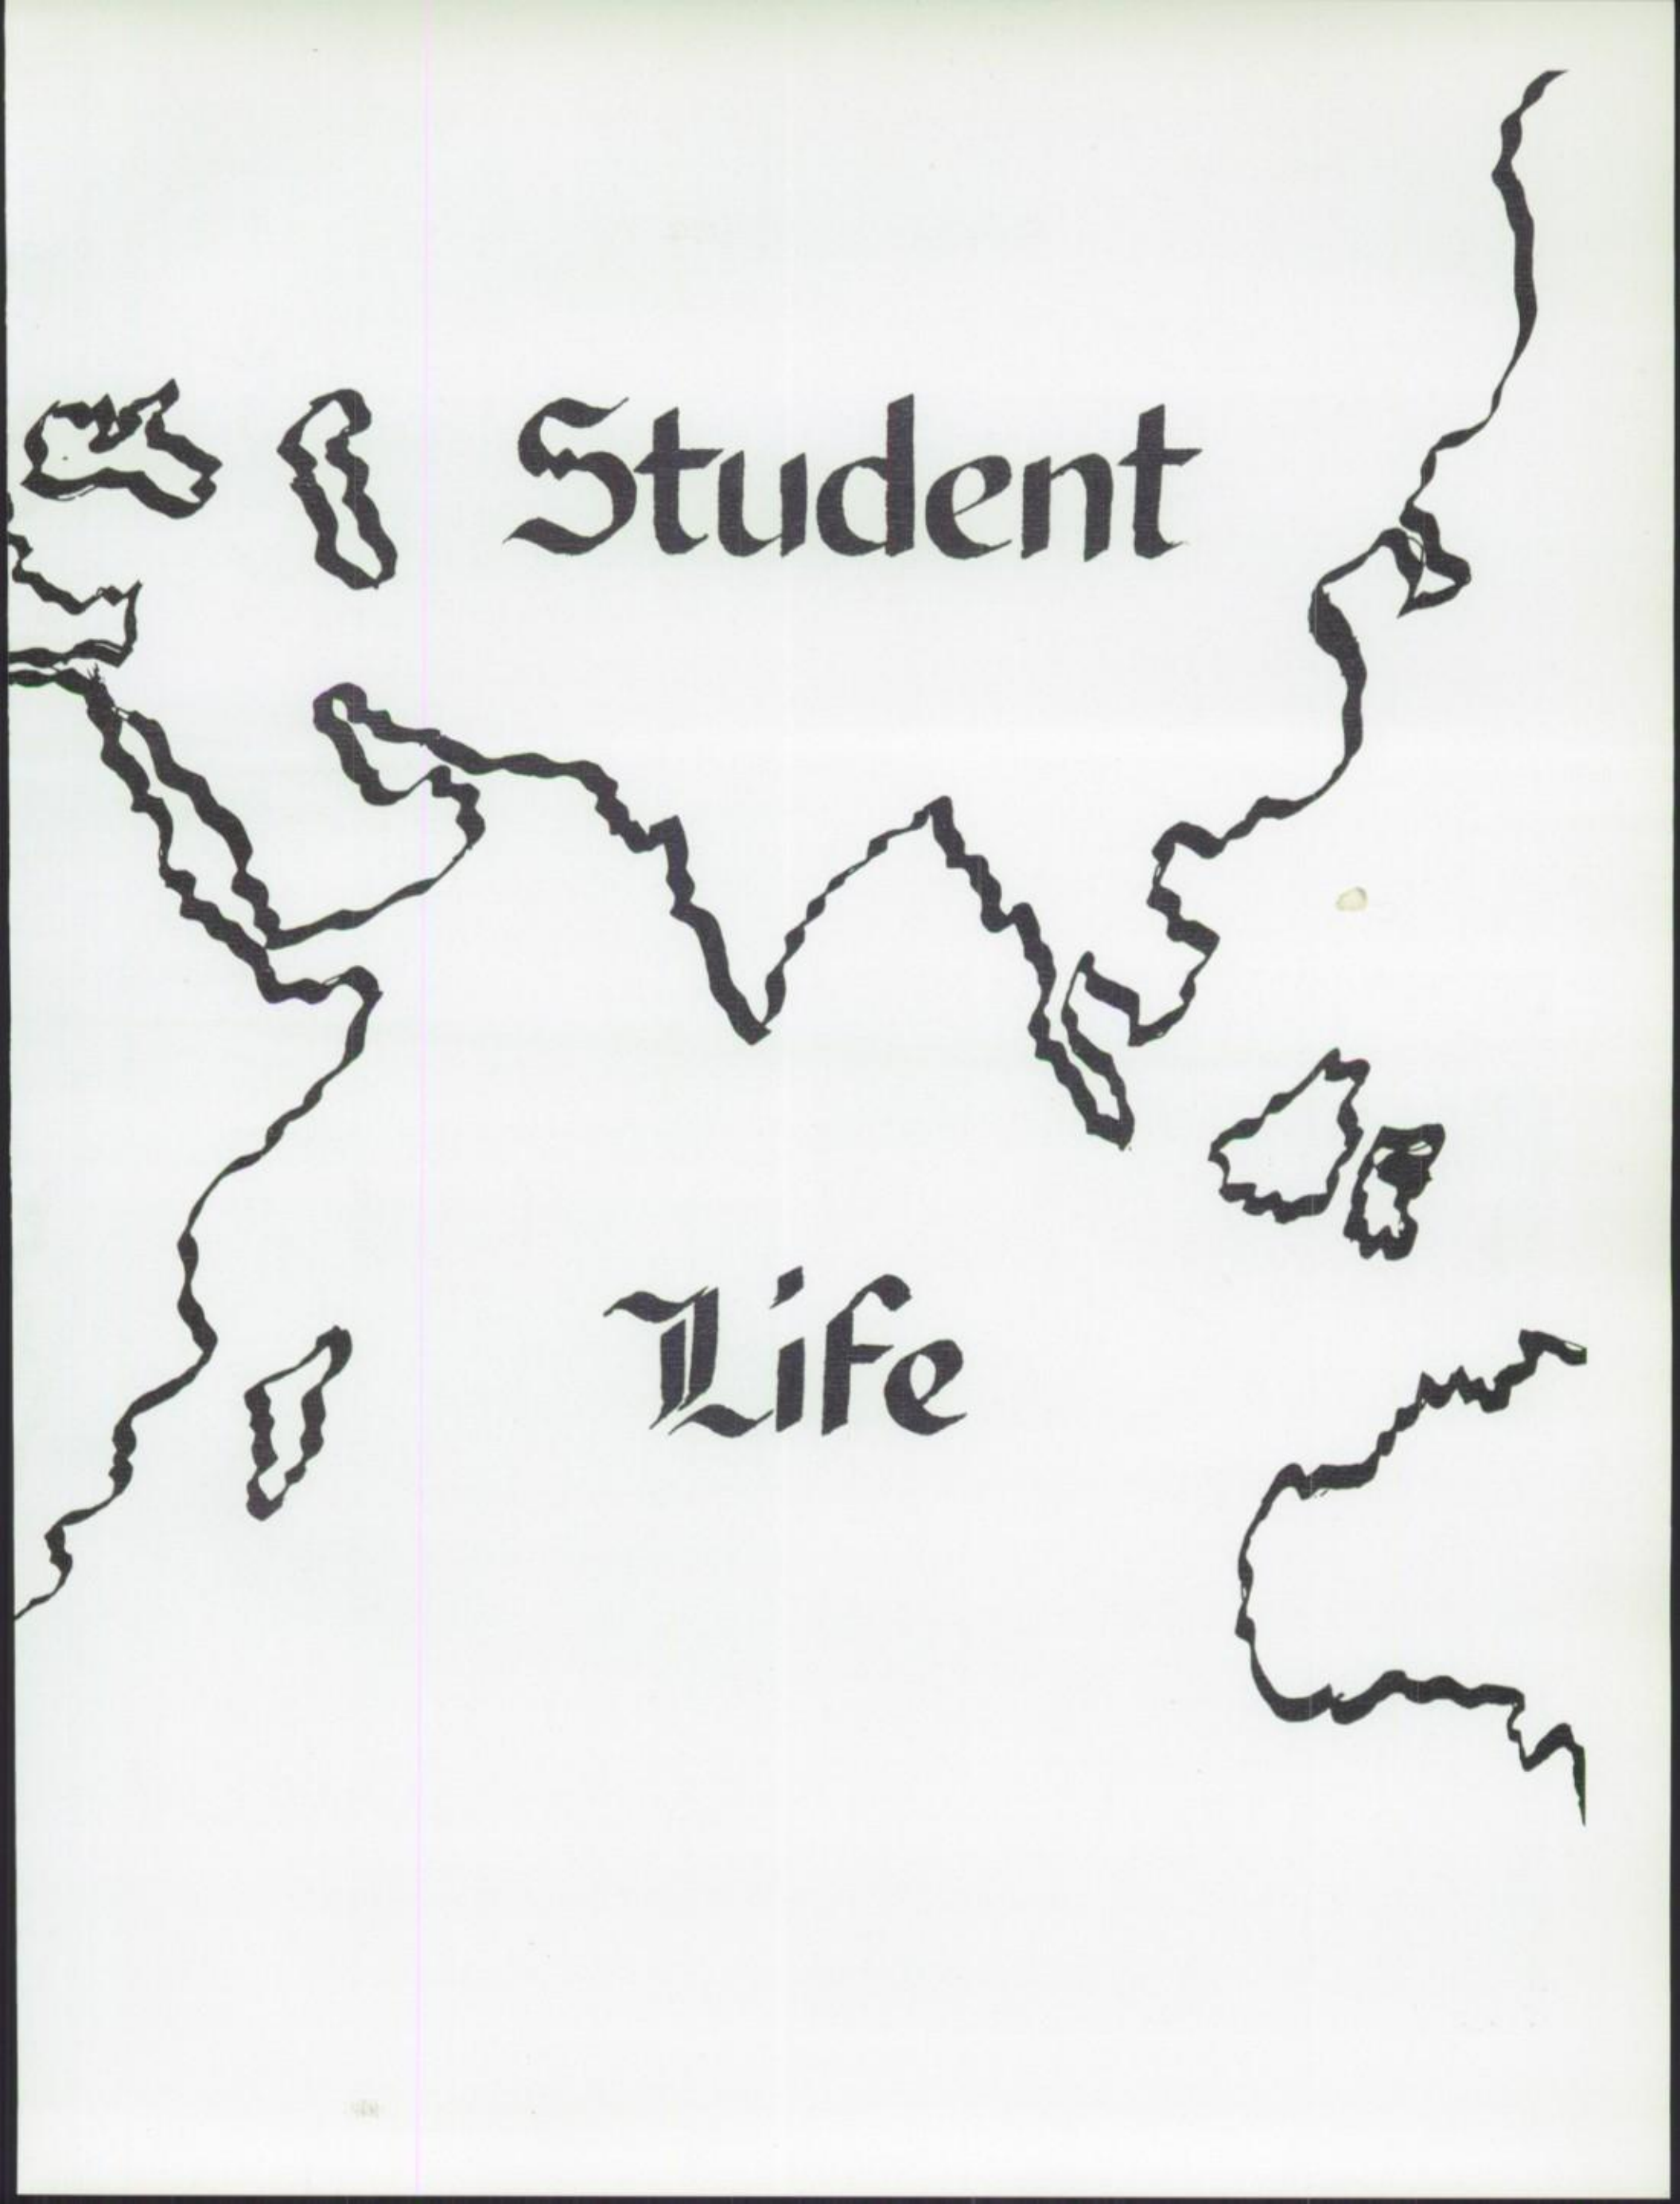

Julie tries to keep order at a student council meeting.

Mimes add a dimension to Stritch liturgies.

The page features several abstract black ink marks. A prominent, long, wavy line starts from the left edge, dips, and then rises towards the top right corner. There are also several smaller, more chaotic scribbles and loops scattered across the page, particularly on the left and right sides. The text 'Student' and 'Life' is printed in a black, stylized font in the upper and lower center respectively.

FRIENDSHIP

When everyone turned away,
You were the only one to stay.
You fought with me through good and bad,
We stay together happy and sad.
Although I had a doubt,
I knew we could work it out.
When something would make us fight,
We'd pull through no matter how tight.
I hope we're never totally apart,
Cause you're my best friend,
I know it in my heart.

Sophomore spirit BOOMS in this homeroom.

Stacey holds tight to her friendship.

Ann and Michelle enjoy each others company at lunch.

These STUDS show off the fashion of the 80's.

Jill and Beth get the Senior spirit on the rise.

Isn't that supposed to be the Senior courtyard?

Jodi and Cecilia find it bright in the lunchroom.

Randy gives Triscia someone to lean on.

Angie and Melanie find lunch to be pretty funny.

Jackie and Tracy are always found together.

These Seniors show that they still have school spirit.

Searching For Heaven In Our Eyes

Homecoming is a special event for all Stritch students, especially for the Seniors. This is the time when the Senior class honors one lucky lady for the title Homecoming Queen 1986. But before this, there is a lot of last minute things to be done. Flowers need to be ordered, floats need completion, and the gym needs to be decorated.

With drive and a lot of school spirit, everything was done on time. The floats looked like a million dollars, the cars were all shined up, and it was time to start the Homecoming Parade. It started off with a car caravan from Stritch to Waite with the court, cheerleaders, floats, and a lot of enthusiastic people. When we got there the football team was warming up, trying to make a Homecoming Victory.

While the football team worked hard on the field, everyone was anticipating halftime and the announcement of the winning float and of course who would reign as Homecoming queen. Finally the time had come, and they announced that the Seniors and the Sophomores had both placed first in the float competition. The Seniors with "ROCK'N SENIOR SPIRIT IS HEAVEN IN OUR EYES" and the Sophomores with "SOPHOMORE SPIRIT IS ON THE RISE." Then with excitement and joy they announced that Ms. Kristin Arquette would reign as 1986 Homecoming queen over her court: Roxanne Steele, Kellie Zurawski, Julie Christin and Beth Schlicher. For all of these girls and all of us memories will last a lifetime.

The court and their escorts are honored at the assembly, along with last queen, Ms. Suzanne Webb.

The remaining six candidates smiled as they were happy to be chosen for top ten.

Kristin Arquette is caught smiling as she recalls her name being called for Homecoming Queen.

The freshmen were in the swing of things when they designed their float.

Sophomore float was high in the judges minds as they tied for first.

The Seniors were in heaven when the judges chose their float for first place.

— Juniors caught the wave this year for homecoming .

The court smiles pretty as they were happy to represent the class of 1987. Kellie Zurawski, Julie Christen, Kristen Arquette, Roxanne Steele, and Beth Schlicher.

The remaining six candidates, Chris Berry, Nadine Gillien, Debbie Grice Amy Traver, Leanne Rock, and Missy Baker, are reconized at the homecoming game.

PROM...A NIGHT TO REMEMBER

At 8 pm, on May 9th, 1987, the Junior-Senior Prom began. This year the prom was a little different since it was held in the gym instead of at a hall. There were a few boo's but the Juniors and Seniors stopped at no cost to transform the gym into a romantic paradise. This year theme was "Nobody Loves me Like You Do," by Whitney Houston with Kellie Zurawski and Mike Szymanski recieving Prom queen and King by popular vote.

Mike and Kellie cut loose.

Mike and Brenda make a great couple.

Festival Shows Off Treasure

On Sunday May 17 the Music department and the Art department came together for the annual Spring arts festival. At the festival the best of the art 2 students work was on display and also the concert band was to perform as well as the folk group. This years festival came together very nicely and will be remembered as one of the best ever.

The folk group was on hand to put on a typical fantastic show.

PACIFIC

This year the Stritch students took a trip to the Pacific island, as they did their performance of "SOUTH PACIFIC." The musical is a very exciting event at Cardinal Stritch because it gives everyone a chance to get involved by doing their job to the fullest. The leads need to practice hard, the chorus needs to back up the leads, lighting needs to be on time, and props have to have everything in place. All this came together on April 28th with opening night and closing on May 2nd. This musical received great reviews and it lived up to the Stritch tradition.

Our directors worked hard to make our musical great.

VOLLEYBALL DIGS UP GOLD

The girls volleyball team turned what was to be a rebuilding year into a banner season. The season was highlighted by a third place finish in the city and the sectional crown.

Head Coach Tracey Cole had more than one reason to be less than optimistic at the beginning of the year. With a team dented by last year's graduation, and the varsity stocked sophomores, the season looked to be a rebuilding and learning year. All those thoughts never crossed the minds of the spirited young ladies on the team.

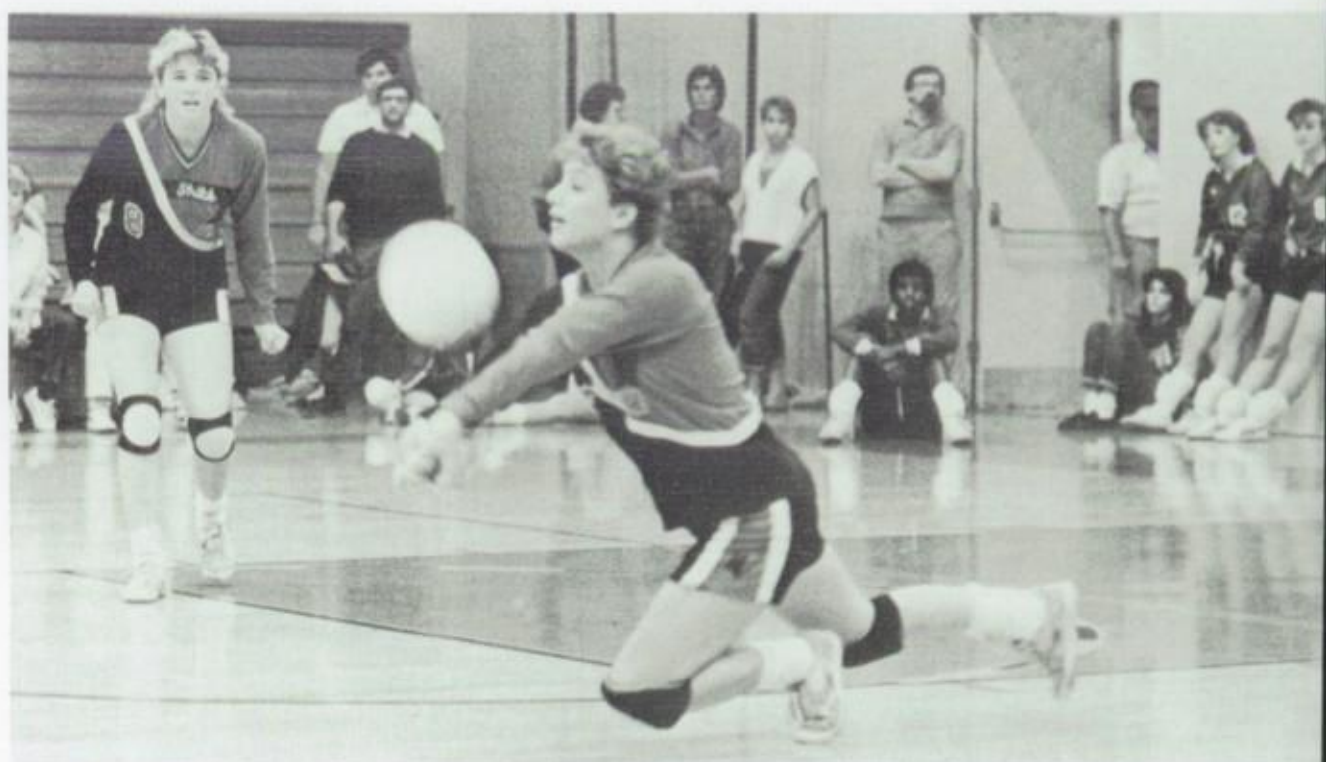

Led by the two senior captains Ronda McCoy and Pam Daily, the gutsy girls finished the season with an incredible 17-7 record. Ronda reflected on the season by stating, "This was a really exciting season. Everyone on the team had a real desire to win and a fighting spirit that wouldn't let us ever quit. I wish we could have won a couple of our close matches, but we surprised a lot of people by just making them close."

One person who wasn't surprised was Miss Cole. "Everyone knew we were young, but what I knew was all that mattered. We have a lot of extremely gifted girls who combine their pure athletic ability with a burning desire to excel."

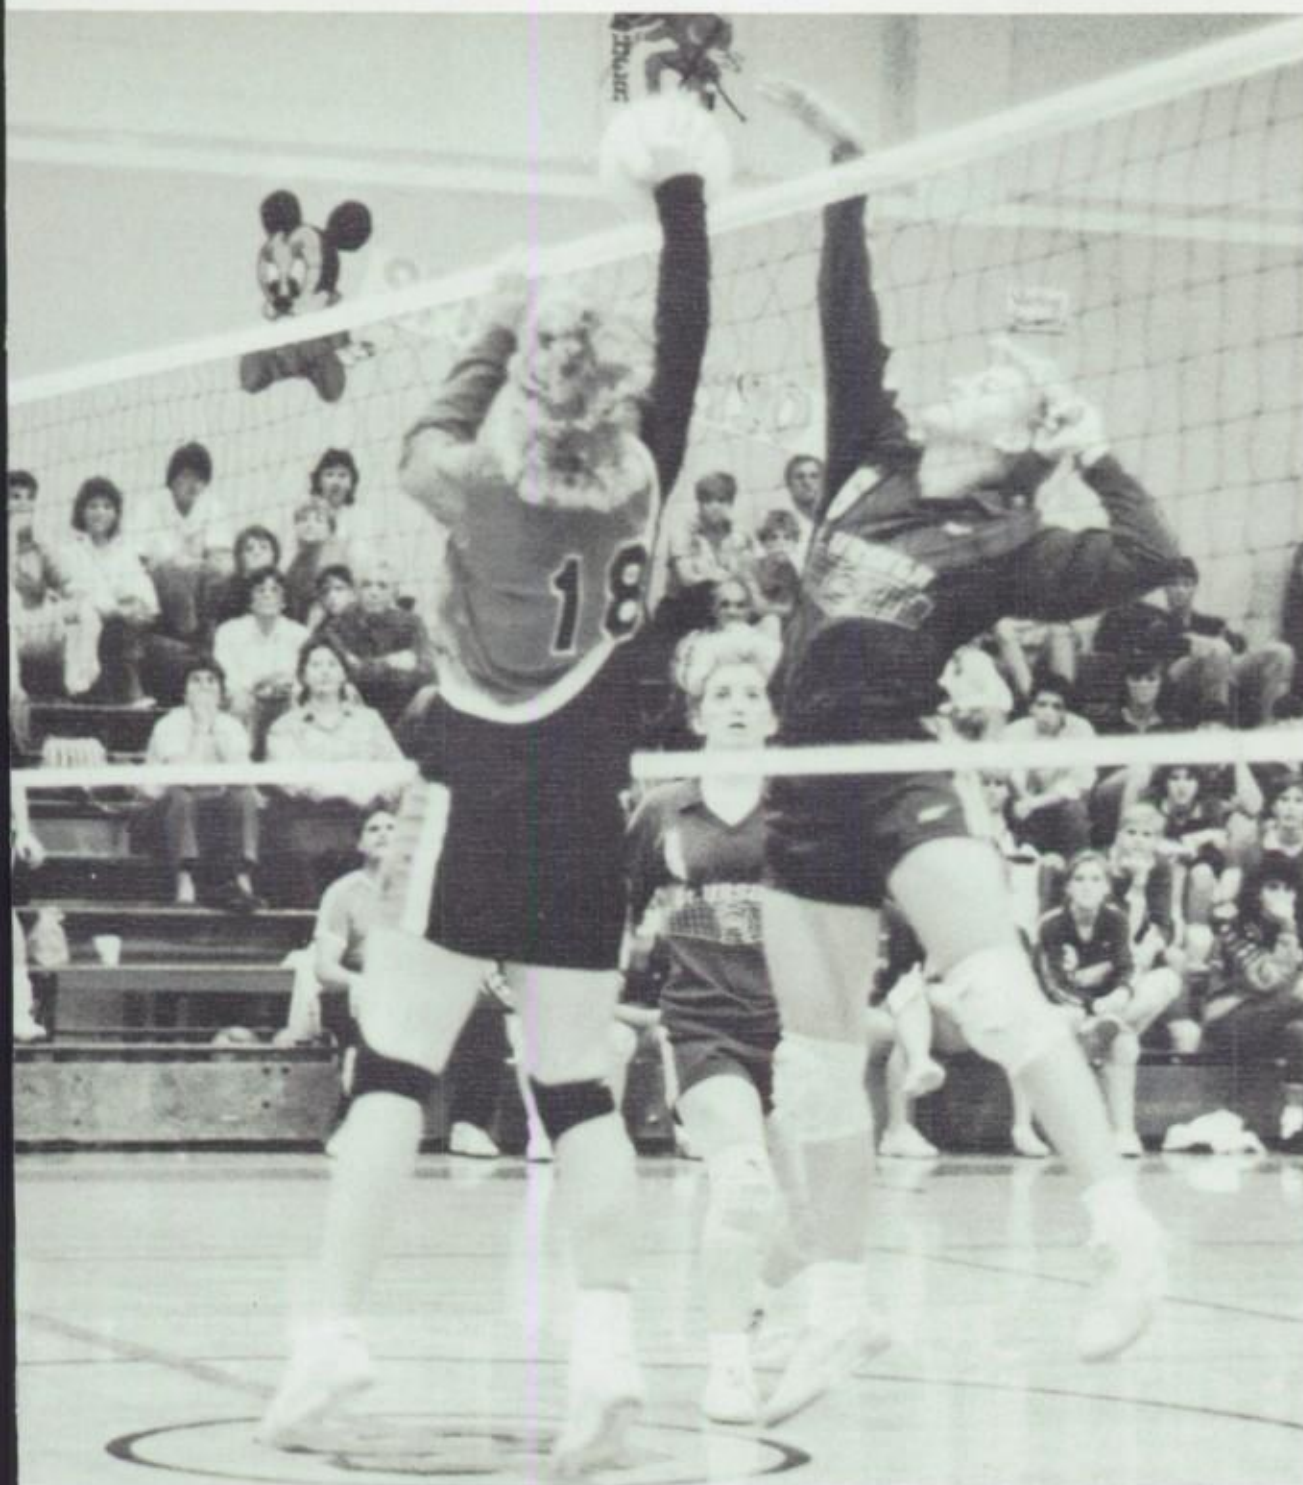

Another important ingredient was spirit. The girls were a very close unit and had a lot of good times together. Ronda recalls one of those times. "When we had defeated Central for the second time of the season to take third in the City, the feeling was unbelievable. I'll never forget that uncontrollable water bottle fight in the gym after the match."

JV'S HIT BIG WITH 18-1 RECORD

The Varsity wasn't the only success story by Coach Diane Heban. The JV's finished with a nearly spotless 18-1 record. Their only loss came at the hands of Start in the City Championship.

The team was led by sophomore captains Tricia Kontak, Jodi Jaros and Jackie Sobecki. Among outstanding freshmen were Julie Thomas and Diane Cherry. When asked what made the season so fun Tricia replied, "We had a great coach and a bunch of nice girls. The biggest factor was that we won a lot. Things are more fun when you're winning!" If winning is what makes a good time, then these young ladies had one heck of a good time.

GOLF DRIVES FORE 11-6

Coaches Award recipient Mike Johnson demonstrates the importance of form and concentration as he begins to tee off.

FORE! Junior Dennis Pakulski follows through on his stroke hoping it to be the start of another exciting match.

Average was the term used by Coach Pietraszak when asked to describe the season. "We did what we had to do, but didn't really meet our goal of beating St. Francis or Bowsher. We had hopes of finishing third in the City, but due to our losses to St. Francis and Bowsher we ended up fourth."

The team was lead this year by Junior Joe Koren. Joe received 2nd Team All-City this year and played 1 all year. Senior Mike Johnson commented on the season by saying, "We started out well in the beginning but fell off towards the end. It seemed like we really wanted to win and improve, but never took the time to practice. All in all it was a good year, but with more patience and effort it could be better."

The toughest opponent the Cards faced this season was the Spartans for Start. Early in the match Stritch was down, but the later players came through strong and the Cards won by a narrow score of four strokes.

Stritch was a strong competitor this year in the City. Stritch is the only AA school that competes in League play and beating eight out of the twelve teams says much about the Cards.

The Search For Gold

This year the Varsity football experienced a big change. After three years of Coaching football (as assistant coach), Mr. Ralph Orsini was named new head coach.

Coach Orsini attended Stubenville Catholic Central High School. He lettered in two years of football and in 1971 played for the state Championship. From there, Coach Orsini went on to play two NCAA Division II playoff teams. His senior year they were second in the nation and he was nominated by the school for Academic All-American.

Coach Orsini had high expectations for the season but unfortunately, they weren't fulfilled. "It was tough trying to replace 13 injuries throughout the season. When starters were injured they had to be replaced with inexperience.

When asked about the season, Coach Orsini said the best highlights were the defense against Waite and keeping Libbey and DeVilbess from scoring when they were on the goalline. In the last two games, the offense put out 63 points compared to 49 pts in the last eight games.

Individual awards went to the following:

Mike Kuhn-1st team All-City, Special Mention All-District

Ken Karcher- 1st Team All-District

Jim Gregorzyk-Special Mention All-Blue Division

Mike Szymanski-Special Mention All-Blue Division

EXCITES

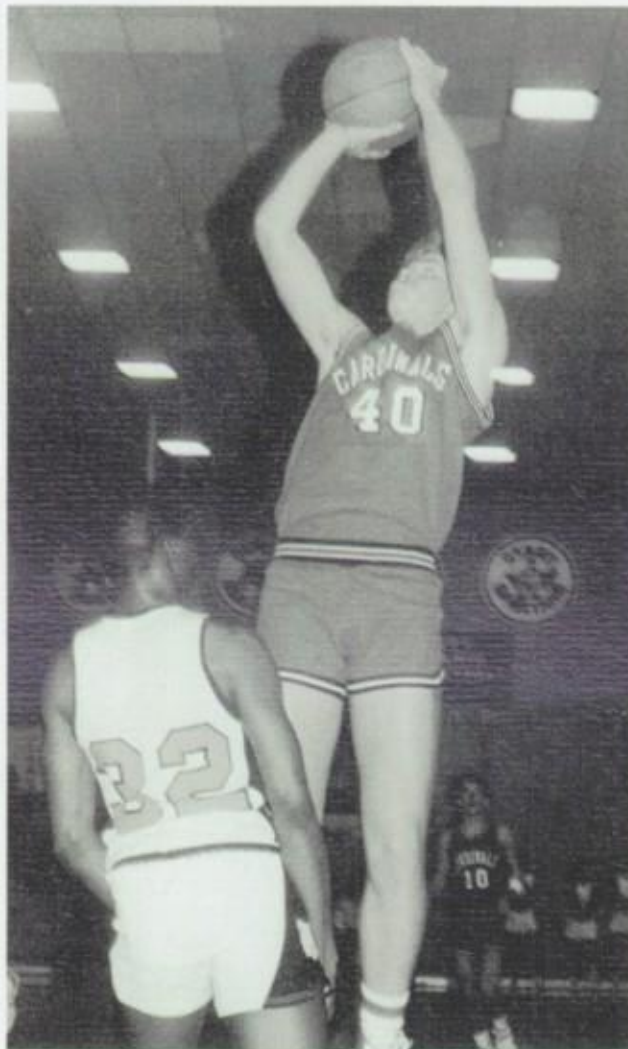

"Frustrating!" That's how one of the players for the boy's varsity basketball team described the season. They ended up with a 5-14 record, 4-8 in the league. They were the smallest team in the league and made up of much inexperience. There were five returning lettermen, all seniors. Two sophomores, Joe Herman and Marty Walsh, entered the line-up this year. They added much spunk and talent to the team.

The Cards began the season with eight heartbreaking losses, but came back with a big win against Central. They continued to then win against Waite, Rogers, Woodward and Lima Central.

Special honors went to the following: Rick Jones, All City Honorable Mention, All-District Honorable Mention; Mike Smerklo, All-City Honorable Mention, All Academic Team, All District Honorable Mention, Special Mention AP All District, Jay Madrzykowski, All-Aademic Team, Jay Gajdostik: All-Academic Team; and Joe Herman All-City Honorable Mention.

Girls Hoops Full Of Surprises

The 1987 basketball season turned out to be a season of firsts. First year coach Kathy Zsigray guided the varsity to a late season stampede through the tournaments and a District-Runners-up finish. Through out the season, the varsity would win a couple, then lose a couple to wind up with a 8-10 regular season mark. The lady Cards put it all together at the end, winning 5 in a row including 3 tournament wins, before losing to Fremont St. Joe in the District final. The late season flourish called for some excitement and school spirit rarely experienced during the basketball season and evened the girls record 11-11. At the winter sports banquet, senior point guard Pam Dailey received the Most Valuable Player award, Ann Galla won Most Improved, Sue Surgo hustled her way to the 100% Award, and Ronda McCoy studied her way to the Academic Award.

Another cause for excitement was the J.V. team. For the first time in J.V. history, the young lady Cards captured the coveted J.V. City Championship with a thrilling 42-40 overtime victory over Central. The luck was definitely with the ladies as they won four games by one point and three games by two points on route to a 14-4 record. Coach

Richard Zellner did not hesitate to point out the Macomber Whitney double overtime win as the most exciting game of the season. "We won that game the way we won all season with defense. All season our defense was our best offense. That kind of tough, aggressive defense what won the city Championship for us." Mr. Zellner also cited the balance of size and strength with speed and hustle in the line up a major reasons for their success. Mr. Zellner says the future looks bright for the young lady's, but he says the competition for the varsity team will be unbelievable. One more first was our first freshman team, Coached by Mr. Bud Zsigray, the girls finished 6-8.

Girls Tennis Banks on Future

The lady netters endured through a 1-12 season as 1st year coach Mike Wiley billed it as "A definite rebuilding season." He said this in light of the fact that the team consisted entirely of freshmen and sophomore girls many of whom had never played before. One bright spot was first singles player Lisa Hallock who gathered in a spot on the Honorable mention All City team.

Mr. Wiley is a 22-year old graduate of Defiance College, and a teacher in the Social Studies Department. His personal hobbies include sports, music, and photography. Due to his love of the game of tennis, Mr. Wiley said he was excited when he heard that the girls

desperately needed a coach. He stated that he really enjoyed the new experience of the season was undoubtedly the 5-0 trouncing of Macomber-Whitney, which turned out to be the Cards' only Victory.

Mr. Wiley said his philosophy on life went hand in hand with this years' team "Don't ask too much of people as long as they try their hardest." His goals for the future are to get the girls involved in a strenuous spring and summer program, and to improve the tennis team as they gain experience. Mr. Wiley feels that the lady netters' future looks pretty good, and will improve with the addition of more players and solid dedication.

Organizations

Student Council has made great strides this year under President Julie Christen and Vice President Stephen Ambrose. A number of changes, for the better, have been brought about. Student Council obtained their own office in the cafeteria, revised the constitution, and profits from the fund raisers soared.

The Council also went strictly by the rules this year. Loose involvement was not tolerated. As a result, the effort given by Student Council was not just the executive officers, but the whole Council—from class presidents to homeroom alternates. All in all Student Council had a very busy and a very productive year.

Towards the end of the year however pep laked, the support was always there just not the people. From the experience learned this year hopefully next can benifit and become even better.

MIND OVER MATTER

Mrs. Meyer and Tom McDonald concentrate hard on the next question.

Our Quiz Bowl team this year has been very successful. They've won 6 matches this season and have appeared on TV 3 times. Mrs. Myer says "We are a very young team, gaining experience and practicing every week are most important." Also she says she is always welcoming and encouraging new members through the year.

This year the photo club, moderated by Mr. Foote, was very active. They took pictures at different Toledo parks at the Autorama, and at different sporting events. They develop their own pictures and meet every week. Doug Homer a 3 year member, said "It's a lot of fun and I've learned so much."

New Design Found At Stritch

The more things change, the more things stay the same. A saying used often, and especially applicable to Cardinal Stritch Eucharistic celebration- this year.

The chapel was moved and received a complete facelift.

Many new concepts and designs were tried out in all-school masses, including Father Lester's Circle-like design shown on page 89.

Same as always, though, students come together to grow in faith and strengthen their bond to Jesus Christ.

Another constant, unity through worship was the key phrase as the Stritch family remained a tight-knit bunch

High Standards Maintained

A new style. Changes were seen throughout the school. At first the changes were somewhat confusing for the students, but overall the changes were largely accepted.

The Art room became the library, and the chapel was moved to its original spot, the old Library. The Pottery room was moved to the music room, and the music room was moved to the spot the chapel had vacated- off the cafeteria.

Many young teachers were also added to the staff. First year teachers included Mr. Steve Weber, Mr. Mike Wiley, Mr. Kris Harvey. Mrs. Cindy Ross, Ms. Karen Zach, Mrs. Karen Grauman and Mr. Rich Moulten were also welcome additions to the faculty.

The lunch started at 11:30 with sandwiches and potato salad. During the lunch the seniors told stories about their trip to Cedar Point the day before and listened to the entertainment. Also at the banquet class awards were passed out.

In Memory of Julie Ann Hess 1969-1986

Julie Hess celebrates her 16th birthday.

Matt Smith poses with Mrs. Hess and Fr. Murd after receiving the first Julie Hess Scholarship.

Lean on Me, I'll be

Graduation . . . It seemed like June 4 would never come. The day was the ending of one period of our life and the start of another. It was a day of emotions, both happy and sad "Lean on me, I'll be your friend, I'll Help you carry on" was the theme just as it was the unofficial theme of the class of '87 of these last four years. There were times when we needed someone and there was always a classmate to lean on. Graduation is the beginning of a new life, a life in which we find friends just half as good as the ones we have here at Stritch.

The Mass opened up with Sr. Rose Angela reading the introductory remarks and the seniors marching in to Pomp and Circumstance. The Homily was given by Fr. John Stites. After the Mass, Valedictorian and Salutatorian James Bihn and Jennifer Brown gave their speeches and the bishops cross was given to Joe Galla and Julie Raglow.

A view from the balcony provides a beautiful sight of the altar and graduates.

Giving the Gospel reading is the main celebrant Fr. Frank Murd.

Friendships like the ones between these "cool" guys certainly won't end after graduations.

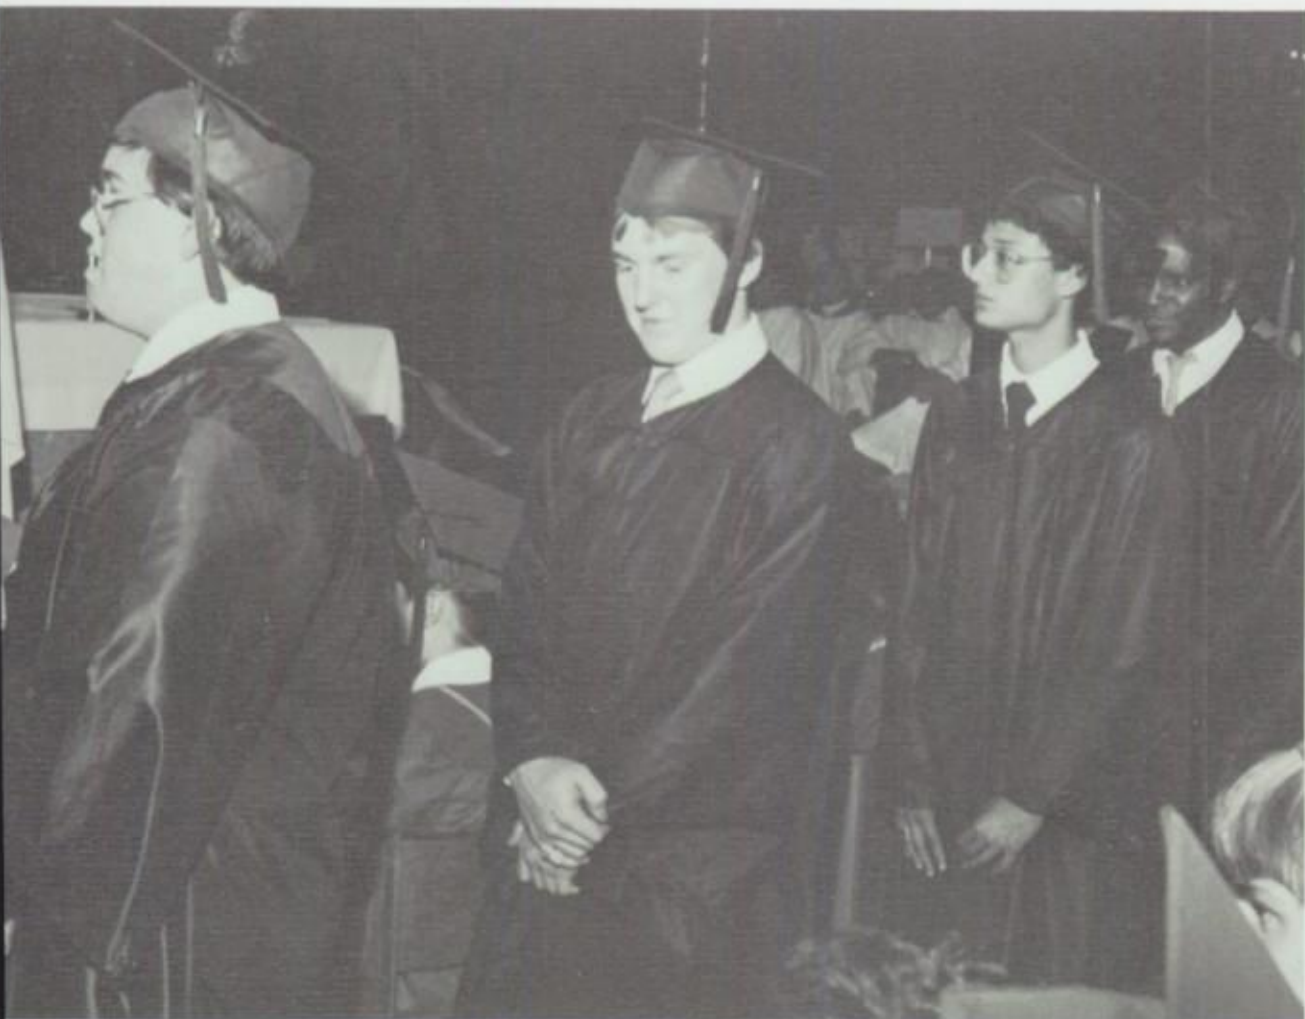

your friend

Amy Perlaky, Amy Traver, Michelle Richards, Beth Schlicher and Jeanie Lau pose for one last picture.

Valedictorian Jim Bihn talks about the future in his farewell address.

Gene Liegel, Jerome Sommers, Marcos Revilla, and Ricky Jones come back to their seats after finally receiving their diploma.

Jennifer Brown recalls some of her memories she has of Cardinal Stritch.

Fr. Murd blesses the bread and wine during the Eucharist prayer.

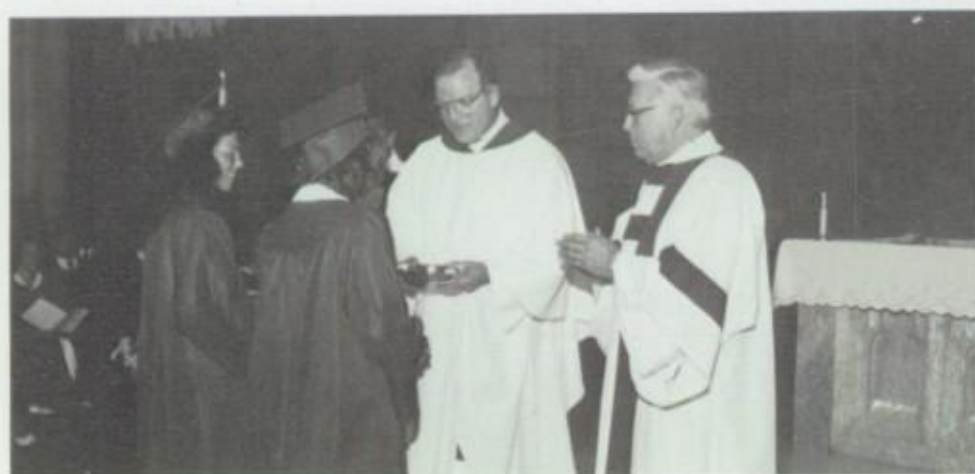

Happiness is everywhere after receiving diplomas.

The Final Gem

Doug Homer leads the offertory procession in to start things off.

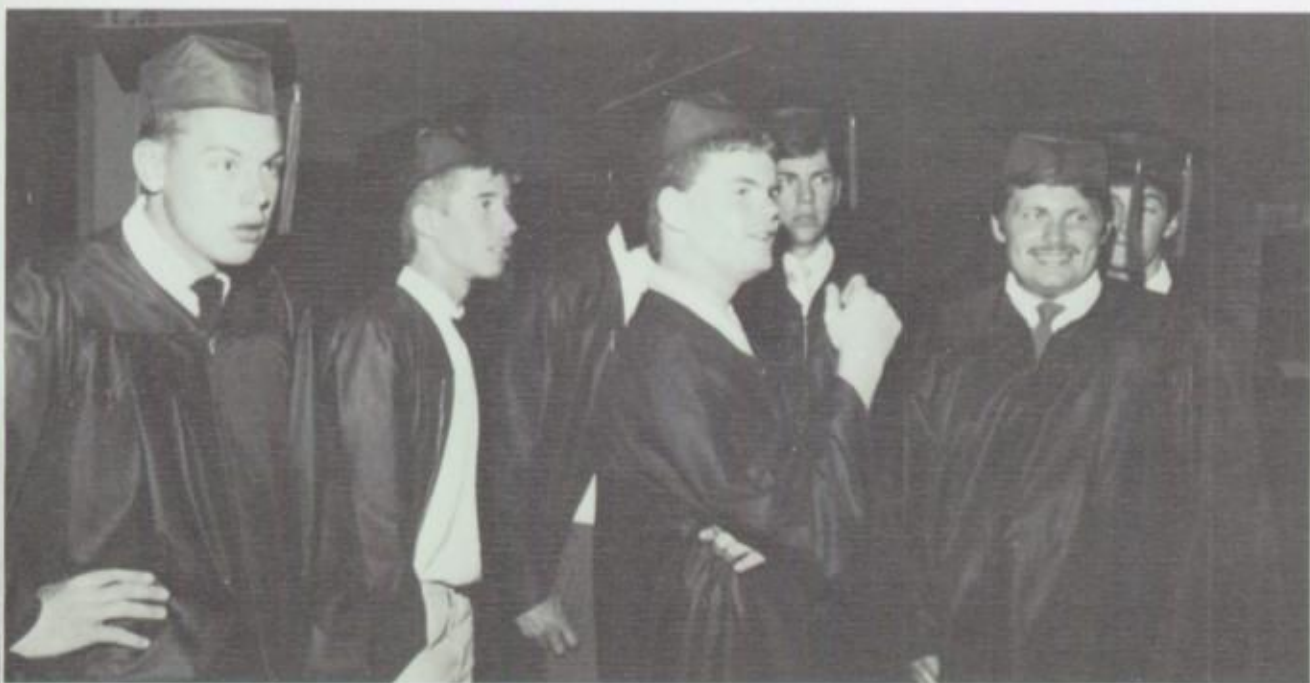

Fr. Murd hands out communion during the mass.

Mrs. Duty helps the nervous Mary Ferrell get ready for the big event.

Steve Ambrose, Tim Hulls, Scott Jacob and Robert Basquez smile in Preparation of recieving thier diploma.

Jay Gajdostik, Jay Madrzykowski, Jim Higgins and Troy Dull can't wait for the ceremony to get started.

The Seniors march in to open the graduation mass.

Happiness is everywhere after receiving diplomas.

Joe Galla and Julie Raglow say the closing prayer after receiving the Bishops cross.

Frosh Find Stritch Treasure

Cardinal Stritch can be a harsh and confusing place for a freshman, but this years freshmen class, the class of 1990 seemed to fit right in.

With a new school, new friends, and a new schedule the transition from junior high to high school is very tough but this years class seemed to make it easy. Under the guidance of freshmen class moderator, Mr. Rich Haffner, the class of 1990 got off to a great start. Some of the accomplishment achieved by this years freshmen were; a second place homecoming float, second place in the Burger King drive, and second place in the Patron drive.

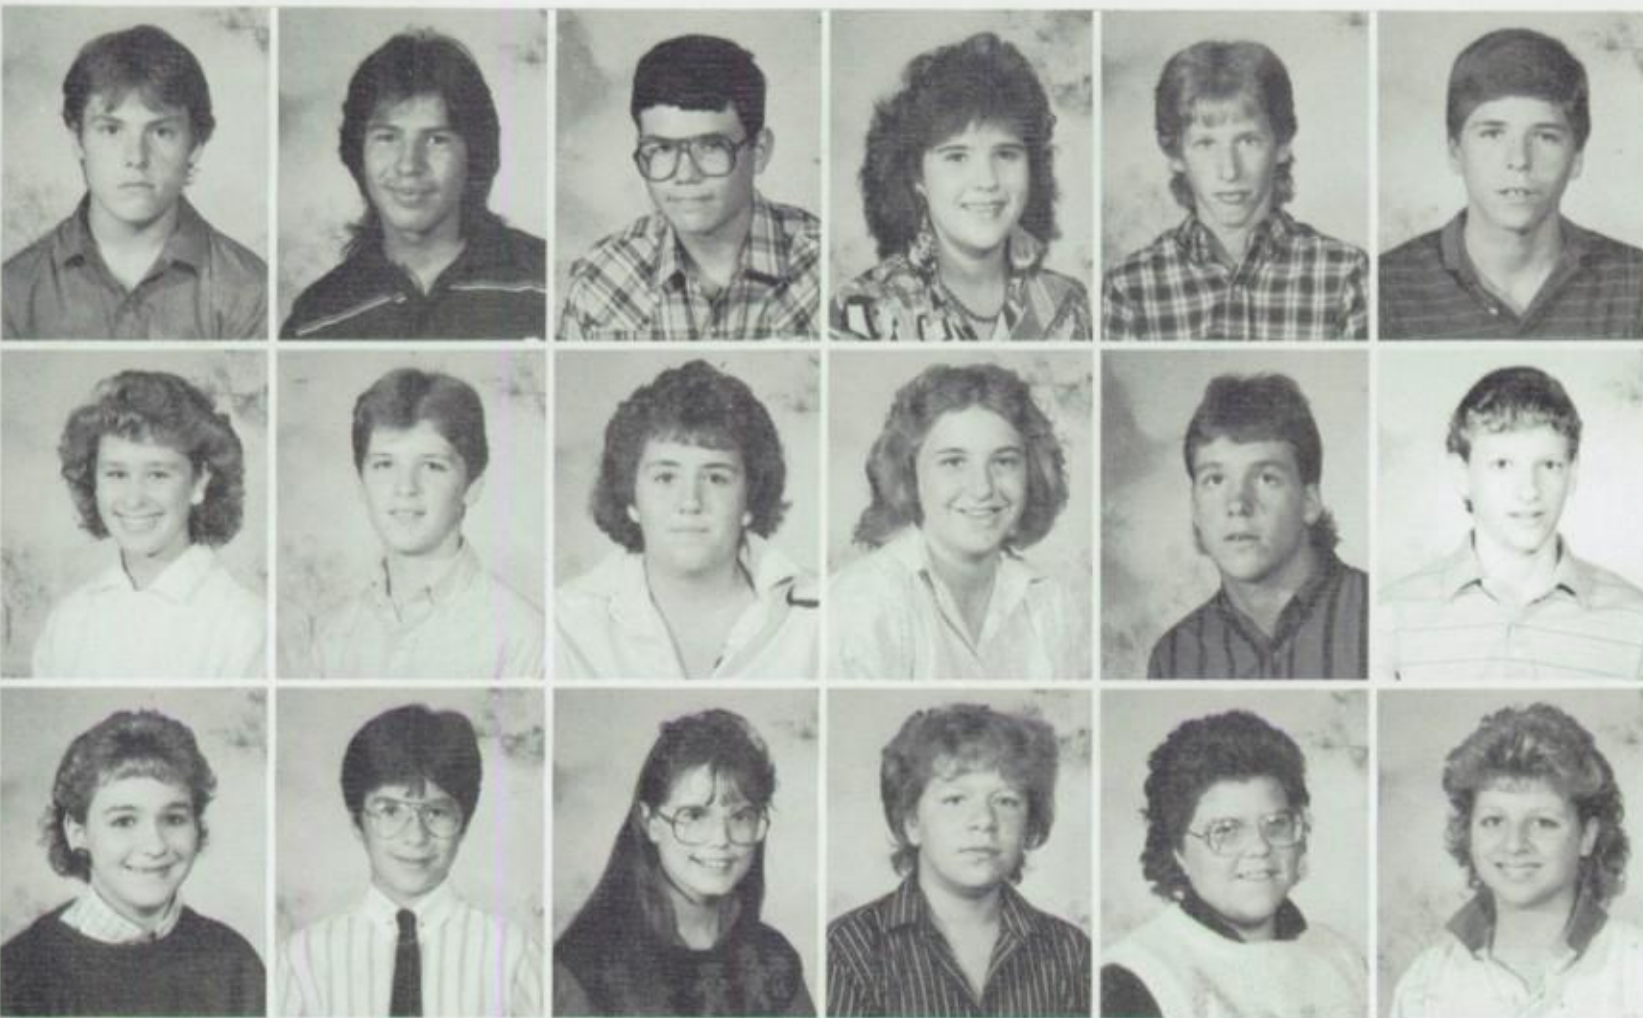

With a great start like this it looks like the future of this class is very bright.

Katy Schultz and friends pose for this shot in the Junior hallway.

Heidi Ware, and Missy Prater show their enthusiasm for school.

This Freshman is getting ready for a crushing return in badminton.

When you have lost a loved one, you do
feel alone. We want to help.

We know how deeply grief touches
people and have had many, many years of
experience in helping them share their grief
and begin to adjust.
